FULL STACK WEB DEVELOPER

GitHub: github.com/joaquinfox
LinkedIn: linkedin.com/in/joaquinfox

Summary

Full stack developer candidate skilled in writing, clean, testable code. Proficient in mobile-first responsive design and test-driven development. Experience with modern tooling and excited to pick up the right tools for the job. I earned a Master's of Science in Finance and a bachelor's degree in economics, and have a diverse work history in corporate accounting, financial analysis and education. As a developer I like collaborative teamwork and learning new technologies. Outside of being a full stack web developer I love the outdoors, cooking and spending time with family.
